**AFFIDAVIT OF MICHAEL
CARTER**

**In Opposition to Motion for
Contempt**

Civ. Action No.: 1:19-CV-00501-
TJM-CFH

Jury trial Demanded

MICHAEL CARTER, being duly sworn deposes and says under penalty of perjury the
following:

1. I am one of the defendants in the above-captioned case. I understand that the
plaintiffs have filed a motion for civil and criminal contempt against defendant Michel Maranda,
Melissa Welsch, and me. I submit this affidavit in opposition to that motion. This affidavit is
based upon my personal knowledge.

2. I understand that the contempt motion asserts that I (and the others) violated the
Magistrate Judge's June 19, 2020 Order that there be no movement of plaintiff Minedmap and/or

Serenity's mining devices from their locations in Oswego without prior notice to the plaintiffs and to the Court.

3. I did not violate that Order. I have never removed any of the plaintiffs' machines from the Oswego locations, either before or after June 19, 2020.

4. I do know defendant Michael Maranda, and I have provided him with technical support from time to time in connection with setting up and running some of his bitcoin mining facilities. I have a technical, electrical background. I helped fit up the locations at 193 East Seneca Street, and 2140 County Route 1, Oswego, New York for electrical power and hosting capability in late 2019 and early 2020. But I have never removed any S9J or S9 miners from either of those locations. I have no reason to believe that any machines owned by Minedmap/Serenti are at any location other than at 193 East Seneca Street, and 2140 County Route 1, Oswego, and I am not in possession of any of their machines.
